

**Lisa Nix Green v. PACT Board, Montgomery County Circuit Court, CV-2010-900013**

On April 19, 2013, the Alabama Supreme Court affirmed the trial court's approval of the PACT class action settlement. The time for class members to ask for reconsideration of that decision expired on May 3, 2013, and the Court issued its final Certificate of Judgment on May 7, 2013. The Court's decision was based upon the repeal of former Ala. Code § 16-33C-19, which the Court previously had concluded would prohibit the PACT Board from making any modifications of tuition and fee benefits -- even by mutual settlement with class member. The Court further held that the repeal of § 16-33C-19 did not violate the Alabama constitution.

PACT will now begin paying invoices under the terms of the class action settlement, and all pending litigation involving PACT is concluded.
